

AZEK Trimboards, the #1 brand of trim, has the look, feel, and sound of clear, premium lumber without the hassles associated with traditional lumber. AZEK trim products are the perfect replacement for wood in all non-load bearing applications. Available in trimboard, sheets, cornerboards, beadboard, and millwork, AZEK products are made in a customized, state-of-the-art manufacturing process and offer the unequalled combination of:

◆ Uniformity ◆ Durability ◆ Workability ◆ Beauty

AZEK Trimboards TRADITIONAL

- ◆ #1 brand of trim
- ◆ Only brand of trim with building code report - ESR-1074
- ◆ Available at thousands of lumberyards in US and Canada

UNIFORMITY

- ◆ Solid profile with no voids
- ◆ Consistent thickness
- ◆ Square edges on all four sides
- ◆ Premium lengths
- ◆ Cell structure perfect for milling

DURABILITY

- ◆ Impervious to insects and moisture
- ◆ Will not rot, cup, split, twist or warp
- ◆ Does not require paint for protection
- ◆ Excellent for ground and masonry contact
- ◆ 25 year warranty

WORKABILITY

- ◆ Same tools and fasteners as wood
- ◆ Can be shaped, routed, and mitered
- ◆ Fasten close to the edge without splits
- ◆ Can be milled, moulded or heat formed for custom applications

BEAUTY

- ◆ Complements all housing exteriors
- ◆ Natural looking surface provides great looks that last
- ◆ Accepts paints easily for a custom color
- ◆ Looks, sounds, and feels like white painted wood trim
